Sensory panels to be shared by all

Product Name: Braille Panels
Implementation Date: 09/18/09
Description: The Braille panel

Product Features and Benefits:

ACTIVITY PANELS

A.

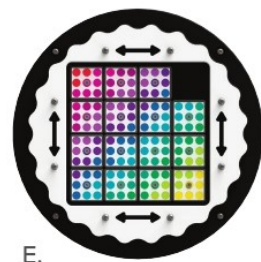

B.

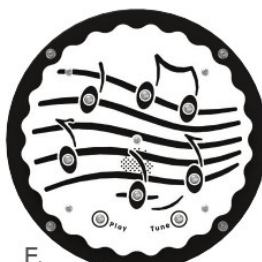

C.

D.

E.

F.

Inspire little moments of curiosity, critical thinking, and fun.

Make a big impact on the play value of your KidBuilders® or PlayBuilders® structures with our activity panels for kids ages 2-12. Panel frames are available for both deck-level and ground-level use. Choose an activity panel frame color, then select one of seven interactive inserts (colors as shown) to ignite wonder, discovery, and creativity. From brain-teasing puzzles and crazy illusions to melody makers and more, these panels add inclusive, engaging play to any space.

A. HYPNOTIZE INSERT

Spin the outer ring and watch the resulting dizzying illusion.

B. FUNHOUSE INSERT

Rotate the mirror mosaic to alter the reflection of you and the world.

C. A-MAZE-ING INSERT

Turn the outer ring to direct the metal ball into the center.

D. VERY BURIED INSERT

Rotate the sphere to shift the pebbles and reveal buried objects.

E. SLIDE & SOLVE INSERT

Slide the tiles vertically and horizontally to solve the puzzle.

F. MAGICAL MUSIC INSERT

Make your own music in mode setting or listen to preset songs by touching each button.

G. FOUR-THE-WIN INSERT

Slide the caps and try to match four in a row to win.
