To Whom It May Concern:

This letter shall serve to confirm that if an Urban Search and Rescue equipment trailer is secured through the Participatory Budgeting Process, the Vallejo Fire Department will cover any soft costs associated with the trailer through the allotted budget assigned to the Department. This would include all required maintenance costs which may become necessary to keep the trailer efficiently functioning during its useful life.

Sincerely,

A handwritten signature in black ink, appearing to be "DCA", written over a horizontal line.
